

# GM Internal Audit

- **Market Leading Global Financial Services Corporate**
- **Significant and Challenging Mandate**
- **Executive Level Remuneration Package**

As one of the world's leading diversified financial services groups that has consistently provided products and services which exceed the market's expectations, this employer of choice is embarking on a new phase as a truly global business. In line with the new strategy an exciting opportunity now exists for a senior internal audit executive to significantly contribute to the Group's pursuit of global best practice.

Reporting to the Singapore based Regional Audit Director, and the local Audit Committee, you will be the key assurance executive within the Australian business unit. The role will set the direction for, and is responsible for the delivery of assurance for Australia, as well as contributing to providing assurance on themed reviews on relevant business themes across the group. After in-sourcing the function, the key components of the role are stakeholder and relationship management at a senior level, people leadership and management of a small co-sourced team, and the continuous development of Group Audit methodology.

Diverse audit, finance and commercial career opportunities exist domestically and globally as the business continues to be acquisitive and outperform its competitors.

As a technically talented audit or finance professional with outstanding stakeholder management and influencing skills, you will have a demonstrable record of achieving global best practice outcomes within your sphere of accountability. Internal audit experience within the financial services sector at a mid or senior level is essential.
